Access

Access for subjects without an exam date (e.g. OT exams): 6 months from course start date. Access for subjects with a set exam date (e.g. Case Study exams): Up to the exam date.

Course Duration

All courses have a start date. That's the date on which the tutor joins the course. You may have access to the course up to 2 weeks prior to the official start date. The course is structured over a period of 8-9 weeks in which you will follow a set programme and get support from your online tutor and course advisor. After structured programme is finished, you will only have access to recorded videos and practice questions until the end of the six month period/Case Study session.

Pass Assurance is applicable to all Online Classes courses. You qualify if you meet the following criteria:

- ✓ Complete all the steps in the achievement ladder by the submission dates.
- ✓ Achieve at least 50% for each step on a Certificate Level course, 70% for each step on a Professional Level course, and 40% for each step on a Case Study course.
- ✓ Book and write your exam no later than 3 weeks after the course completion date.
- ✓ Book and commence your Pass Assured free course within 3 months, if you are unsuccessful.
